NOTICE: GRADES FOR REPORT CARDS; JULY 2020

June 5, 2020

Dear Parent/Guardian:

GRADES FOR REPORT CARDS; July 2020

Further to Bulletin 88/2020, released by the Ministry of Education, the scores earned by students prior to March 13, 2020, will be used to prepare the Report Cards which students will receive in July 2020.

As such, the scores earned by your daughters via Distance Learning will not impact your daughters' progress. The Distance Learning scores **will be recorded** by the school **but will NOT be reflected on the Report Cards our students will receive** at the end of the school year. Our students' Report Cards will reflect scores earned in January, February and up to March 13, 2020; when all students were being taught face-to-face.

Expect that, in June, teachers will give the usual Monthly Assessment, based on what has been taught, via the Online Platforms.

There will, however, be **NO internal End of Year Examination for students in Grades 7 to 10**. As such, students **will not receive the usual End-of-Year Examination Outlines**.

We continue to do our best to support the continued development of your daughters. Should you have questions, please feel free to contact the school via the portals on the School Website hamptonschoo.edu.jm or directly via email or telephone; as is most convenient to you.

Best regards,

Mahvell Charlton-Brown Mrs.
Headmistress
